The Dethleffs e-scooter

Enjoy unlimited mobility at your holiday destination – thanks to the new e-scooter from Dethleffs. Stopping by the bakery or exploring the nearby beach? No longer a problem thanks to your new holiday companion from Dethleffs. With its 10-inch pneumatic tires, the e-scooter runs smoothly – no matter the underground. It offers a range of up to 25 km due to its powerful battery.

The following optional accessories are currently in the preparation and match perfectly:

- + Luggage rack
- + Charger for the e-scooter – allows charging while the motorhome is on the move
- + Transport bracket for the rear garage
- + Lock: ABUS Bordo Combo Lite

Comfortable ride guaranteed – the height of the handlebar can be freely adjusted. The big pneumatic tires can easily master the bumpiest gravel tracks.
